

Good news! NANM, LLC is going paperless. Effective January 1, 2016 we will be offering our agents the opportunity to receive their commissions directly to their bank account via ACH/direct deposit. For those choosing direct deposit, NANM commission statements will be made available online.

If you elect to receive this service, please complete the enclosed form and return it at your earliest convenience. This form will also be available online at www.nanm.com under the "Tools" and then "Commissions" tab. Once completed and returned, all commission earnings exceeding \$25 will be sent directly to your account following each commission cycle. A PDF of your statement will also be available online via the NANM – Tools - Commissions tab or at www.nanm.com/ecomms.html. Once you have been assigned an ID and password, your statements may be accessed online.

Instructions for logging into your account and viewing statements are also available at www.nanm.com/ecomms.html.

Please allow 1 to 2 commission cycles to complete this transition. If you prefer to continue to receive paper checks, the minimum for a check generation will be \$100.

Please do not hesitate to contact us with any questions you may have. For questions regarding ACH/direct deposit, please call Melinda Meek at (303) 801-2090 or email at melinda.meek@nanm.com. For questions regarding access to your online commission statements, contact Wayne Brady at (303) 801-2091 or email at wayne.brady@nanm.com.

Thanks so much and we appreciate your business.
